

Faus & Moliner, líder en el terreny del dret farmacèutic a Espanya

Jordi Faus, el millor advocat a Espanya en l'àmbit del dret farmacèutic segons la Guia Chambers & Partners 2016

Londres, 30 Abril 2016

Des de 2007, la Guia Chambers & Partners valora la reputació i competència de milers d'advocats a Europa, basant-se en entrevistes que l'equip d'investigació de l'editorial du a terme directament amb els clients.

Aquest any, per desena vegada consecutiva, **Faus & Moliner** ha estat considerat com a despatx líder en el terreny del dret farmacèutic a Espanya.

Les persones consultades per l'equip de Chambers & Partners han valorat molt positivament el nivell d'especialització de Faus & Moliner, el nostre coneixement del sector, i la nostra forma de treballar.

Jordi Faus ha estat considerat un cop més com una de les "estrelles" de l'advocacia a Espanya, distinció atorgada als advocats que combinen coneixement, solucions creatives i disponibilitat amb els clients. La Guia també menciona que les fonts consultades han considerat a Jordi Faus com el millor advocat a Espanya en l'àmbit del dret farmacèutic.

La Guia també destaca l'especialització de Xavier Moliner en el terreny processal, i el seu treball en l'àmbit de la responsabilitat civil de producte i de la contractació pública. Tanmateix, Juan Suárez mereix una menció per la seva actuació en matèries regulatòries i de publicitat.
