

Faus & Moliner, líder en el terreny del dret farmacèutic a Espanya

Jordi Faus, el millor advocat a Espanya en l'àmbit del dret farmacèutic segons la Guia Chambers & Partners 2017

Londres, 10 d'abril

Aquest any, un cop més, **Faus & Moliner** ha estat considerat com a despatx líder en dret farmacèutic a Espanya segons la Guia Chambers & Partners, una publicació de prestigi que avalua de forma independent la reputació de milers d'advocats a Europa.

Les persones consultades per l'equip de Chambers & Partners han valorat molt positivament el nivell d'especialització del nostre despatx, el nostre coneixement del sector i la nostra forma de treballar.

Strengths Clients remark: "The team gives quick solutions and the customer service is perfect. They also have good knowledge of foreign markets and legal systems as well."

Other sources confirm the firm's responsiveness as one of its main strengths: "I was very impressed with their fast reaction time plus the high quality of their work. They are very specialised in pharma transactions."

Work highlights Advised a variety of domestic and international companies on the marketing of pharmaceutical products.

Advised a number of Spanish and international companies on clinical trials, regulatory issues and the drafting of agreements.

Significant clients Novartis, Sandoz, Boehringer-Ingelheim, Bristol-Myers Squibb, Amgen.

Notable practitioners

Managing partner **Jordi Faus** enjoys a stellar reputation for his advice on pharmaceutical policy matters, compliance projects, and commercial agreements and transactions. Clients admire his position in the market and his availability: "He knows the sector and has a very good reputation in Spain. He is friendly and his phone is always on."

Xavier Moliner has lengthy experience in the sector and focuses on litigation. He has further experience in product liability, public procurement and data protection. Sources highlight his "good expertise."

Juan Suárez principally advises on regulatory and advertising issues associated with pharmaceutical products, medical devices and special foods. Clients appreciate that "he always gives good advice as to where we should focus on. He is very available and very responsive as well."

També, igual que en els últims anys, *Expansión* s'ha fet ressò de la notícia, destacant que la Guia ha tornat a designar Jordi Faus com una de les "estrelles" de l'advocacia a Espanya:
