

Anna Gerbolés

Graduate in Law, University of Barcelona, 2013.

Ll. M. in Professional Legal Practice, University Pompeu Fabra, 2014.

Graduate Diploma in Quality Control and Food Safety Legislation, Autonomous University of Barcelona, 2017.

Certificate of knowledge of the Farmaindustria Code of Good Practice, 2024.

Master's Degree in Criminal Law, Barcelona Bar Association, 2025.

Anna Gerbolés has been practising law since 2014. Before joining the team of Faus Moliner in 2021, she was part of the firm Fieldfisher, where she specialized in the field of pharmaceutical and food law.

Anna Gerbolés has extensive experience advising national and international companies on regulatory matters in the pharmaceutical and food sectors. She specializes in medicinal products advertising, healthcare products and food, and has in-depth knowledge of the sector's self-regulation systems, with a particular focus on the Codes of Good Practice of Farmaindustria and Fenin. Her experience includes designing internal policies and procedures, analyzing promotional and non-promotional materials, and providing specialized training for teams in the sector.

She is the author of several articles specializing in this sector and is a regular speaker at the Barcelona Bar Association.
